

2020
MUSTANG

ECOBOOST® | ECOBOOST PREMIUM | GT | GT PREMIUM | SHELBY® GT500®

BUILT TO BLOW YOU AWAY.

Open roads. Closed tracks. Long straightaways. This legendary icon thrives on them all. A high-revving celebration of pure American muscle, Ford Mustang is meant to be driven. Hard.

55 years of legendary Pony cars brings us to the heart-pounding choices below. The mighty Mustang GT pushes your adrenaline level to the redline. And with 760 thunderous horsepower,¹ the all-new Shelby® GT500® is the most powerful street-legal Mustang. EVER.

Ford was built on the belief that freedom of movement drives human progress. And nothing signifies this belief better today than Mustang. So buckle up for the ride of your life.

caribe.ford.com | centroamerica.ford.com

Every Mustang generates its own set of thrills, starting with EcoBoost® and ending with the exclamation point that is the all-new 2020 Shelby® GT500®. From any angle, there's no mistaking it. The long, seductive hood – and taut, distinctive tail with sequential, tri-bar turn signals – are Mustang signatures that get anyone's blood pumping. As does the blistering performance.

From fun-to-pedal 6-speed manual, to the unmistakable V8 rumble of Mustang GT, to the 4-wheel, fully independent suspension that delivers precise handling, Ford Mustang is a visceral experience that turns an ordinary day into an extraordinary day. 55 years after taking the World's Fair by storm in New York, this Pony is still running wild.

MAGNERIDE® DAMPING SYSTEM¹

Provides lightning-quick responsiveness to changing road conditions.

SELECTABLE DRIVE MODES¹

Allow you to activate predefined powertrain and chassis calibrations.

Hip room	1,395
Shoulder room	1,430

This cabin rocks. Starting with a thunderous B&O Sound System¹ that sends 1,000 watts of digitally processed sound through 12 high-performance speakers, plus a trunk-mounted subwoofer. Steering column: tilts and telescopes to better fit your needs. Even the placement of the short-throw 6-speed manual transmission gear shifter allows for open access to controls. Like toggle switches for the Selectable Drive Modes.¹ Steering wheel-mounted controls for the digital instrument cluster.¹ And so much more. Designed and engineered to heighten your connection to the road – Mustang also optimizes your enjoyment of it.

caribe.ford.com | centroamerica.ford.com

Screen displays vary by market.

DESIGN YOUR DISPLAY.

The customizable 12" color LCD instrument cluster¹ lets you personalize Mustang as often as you'd like. Through the steering wheel Pony button, you decide what to display: any combination of 1 to 3 virtual gauges (choose from 8), Exhaust mode, TrackApps[®], a Performance Shift Indicator (3 types with configurable rpm), launch control, and more. Enhance it further with MyColor.[®] Set your primary, secondary and ambient lighting colors. Like everything else Mustang, the cluster is fast. And oh so responsive.

MUSTANG TRACKAPPS

LIGHT 'EM UP. At the track. In the cluster. With standard Line Lock, you can "heat up" the Mustang rear tires. While they smoke outside, you'll see them smokin' here as well.

NO STOPWATCH NEEDED. Record your time and average speed at 3 separate tracks in the Lap Timer. Store up to 100 sessions (a session is 25 laps) in Track Mode.

1,320 FEET OF EXHILARATION. The 1/4 mile. The Acceleration Timer shows you how quickly you get there. Start your launch with the iconic "Christmas tree." 3-2-1. Gone!

¹Available feature.

FORD CO-PILOT360™ TECHNOLOGY

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING³

We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don't take action, brakes can apply automatically. Rest assured, it's designed to only activate when needed.

Included in Ford Safe and Smart Package, and Cads Gen3 Pack.

LANE-KEEPING SYSTEM

It happens. Listening to your favorite podcast, you wander too close to your lane's edge. Our Lane-Keeping System⁴ can help during moments of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Stray a few times and a coffee cup icon lets you know it's time to take a break.

Included in Ford Safe and Smart Package, and Cads Gen3 Pack.

GT Premium Convertible. Iconic Silver. California Special Package. Available equipment. ¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature. ³Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ⁴Lane-Keeping System does not control steering.

2020 MUSTANG | ECOBOOST® | ECOBOOST PREMIUM | GT | GT PREMIUM | SHELBY® GT500®

caribe.ford.com | centroamerica.ford.com

READY WITH AN ASSIST.

ADAPTIVE CRUISE CONTROL

Adaptive Cruise Control¹ can help you keep pace by maintaining a preset speed and gap distance from the vehicle in front of you. If a potential collision is detected, Forward Collision Warning with Brake Support can flash a warning, sound an alarm, and pre-charge the brakes for quick responsiveness when you do brake.

Included in Ford Safe and Smart Package, and Cads Gen3 Pack.

RAIN-SENSING WIPERS

Sometimes weather changes so quickly, it's hard to keep up. Now, you can set the Rain-Sensing Windshield Wipers to automatically activate, and let them help keep your view ahead clear.

Included in Ford Safe and Smart Package, and Cads Gen3 Pack.

AUTO HIGH-BEAM HEADLAMPS

Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They also sense oncoming headlamps and dim automatically for other drivers.

Included in Ford Safe and Smart Package, and Cads Gen3 Pack.

REAR VIEW CAMERA

Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what's behind your vehicle as you slowly back up.

Standard on every 2020 Mustang.

GT Premium. Iconic Silver. EcoBoost® Premium. Race Red. Black Accent Package. Available equipment shown. ¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

2020 MUSTANG | ECOBOOST® | ECOBOOST PREMIUM | GT | GT PREMIUM | SHELBY® GT500®

AT YOUR COMMAND.

This vibrant 8" touchscreen¹ is the command center of SYNC[®] 3 voice-activated technology,^{1,2} which integrates your paired mobile phone with Ford Mustang. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat.

androidauto

SPEAK AND SYNC LISTENS

With your voice and your choice of display, SYNC 3 voice-activated technology^{1,2} connects your tech with your Mustang. SYNC AppLink^{®3} gives you voice control of compatible mobile apps including Apple CarPlay[®] and Android Auto.^{TM4} Rather see your phone's familiar interface⁴ on the big screen? Take your pick.

LOVES ROAD TRIPS

Voice-Activated Touchscreen Navigation System^{1,5} delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look.

Screen display varies by market.

¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Functionality varies by market. ³Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. ⁴Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁵Availability varies by market.

HEAR IT ROAR. You know when it's coming. And when it leaves you in its dust. That wicked 5.0L V8 acceleration rumble that defines Mustang GT. There's nothing that sounds quite like it. You can even program when you want to keep that signature rumble to a minimum with industry-first Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with neighbors. This high-revving V8 features a dual-injection system and plasma transferred wire arc (PTWA) spray-bore cylinder-lining technology to deliver 420 lb.-ft. of torque² along with its 460 horsepower.² That's just the beginning of its charm. Expect passionate performance from this iconic fastback. Hit the 0-60 mark in under 4 seconds.³ A 4-wheel, fully independent suspension delivers excellent road feel and precise handling. Every chance you get, you'll enjoy making this beast howl.

FORD ACCESSORIES

PERSONALIZE IT.

For some people, aluminum wheels and splash guards are enough to set their vehicle apart. But others want to make their Mustang truly their own. Ford Accessories allow you to personalize your Mustang to your exact needs, interests, hobbies and more. And each accessory is designed specifically for your Mustang, so you can be assured of a perfect fit. See your dealer for a complete list of available Ford Accessories.

Ford Genuine Parts & Service. Keep your vehicle in optimum operating condition with scheduled maintenance service. Ford and Lincoln Dealership technicians know your vehicle inside and out. They are continuously trained by Ford Motor Company and the parts they use are specifically designed for your vehicle. □ See your dealer for limited warranty information on Ford Original Accessories. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models excluding other Ford vehicles (class is High-Power Sports Cars based on Ford segmentation), publicly available information and Ford certification data at time of printing. Vehicles may be shown with optional equipment which may or may not be available in your market. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford or Lincoln Dealer is the best source of the most up-to-date information on Ford and Lincoln vehicles.
